**ISNAF will kick off the new year with a panel discussion by Brian Ludmer and Lynn Steinberg on the topic of "Court Orders Necessary for 90 Day Protective Orders". Don't miss your chance to hear from two experts in the field and with experience in these types of cases.**

**Brian Ludmer is an attorney in Canada that works with PA cases and is a well-respected expert on the topic of PA. Dr. Lynn Steinberg is a Reunification Therapist in California and has experience with many reunifications. Neither of these professionals need much introduction as they are one of the few that are highly regarded in handling PA cases.**

**To enroll in this presentation, make your \$10 donation on the website [Donate \(paypal.com\)](#) button. This will be a Zoom presentation and the link will be sent out at noon on Sunday Jan. 8th. All RSVP's need to be in by noon Sunday the day of the presentation.**

**ISNAF is a 501(c)(3) nonprofit organization. Donations go toward education, support, awareness and advocacy.**
